INTRODUCTION

THE FINISHING POWER OF THE CROSS

In every generation, there is a pattern.
A cycle that haunts the faithful.

A demonic system that causes people
to fight hard, run far, and believe
deeply – yet collapse right before the
crown. This is not ordinary. This is
“Almost There Syndrome.”

It is spiritual.

It is persistent.

It is cruel.

It shows up when destiny is near.
It attacks just before the reward.
It frustrates hard work.
It delays answers.
It steals testimonies.
And for many – it repeats, again and
again and again.

***But there is a power that ends all
demonic cycles.***

There is a force that does not only
resist evil– it finishes it.

That power is the ***Cross of Jesus
Christ.***

When Jesus cried out, “It is finished!”
(John 19:30), He was not whispering
defeat – He was thundering total
victory!

He was ending what had plagued man
since the fall:

- Cycles of disappointment
- Unfinished purpose
- Closed doors
- Delayed harvests
- Incomplete assignments
- And stolen glory

He spoke into the realm of every believer... and finished what the enemy tried to keep open.

This book is not just a manual – it is a spiritual hammer to shatter limitations.

It is a declaration, a war cry, and a prophetic deliverance tool.

You will not remain stuck in spiritual circles.

You will not die on the edge of destiny.

You will rise, run, possess, and prosper.
The Cross has spoken.
It is finished.
Now, walk in it.
