This is a book to pray through.**

## **HOW TO USE THIS BOOK**

### **THE PRAYERS ARE ORGANIZED INTO FOUR KEY SECTIONS:**

- **1st Dec – 16th**
- **17th Dec – 24th**
- **25th Dec – 30th**
- **31st Dec & January**

## **CROSSOVER PRAYERS**

❖ Always start with the sign of the Cross, Our Father, Hail Mary and end with the Sign of the Cross.

❖ Praise and worship God. Sing some songs of praise if you can! Start the season with a good sacramental confession if you are a Catholic.

❖ Approach each section with intention— do not rush. Pray both the morning and evening prayers as outlined in this manual, repeating them daily according to the designated sections. Pay close attention to the Crossover Prayers, as these are pivotal for your transition into the new year

❖ Set a consistent time each day to pray, especially in the early morning or late at night, when your spirit is most receptive.

❖ If possible, fast once a week to align your spirit with the breakthrough you're seeking.

❖ Keep a journal nearby to record any visions, insights, whispers of the Spirit, dreams, or divine instructions you receive during your time of prayer.

❖ Engage deeply with each section, as if your very future depends on it—because the new year, and your breakthrough, does.

## 7 ENCOURAGEMENT NOTES FOR THE NEW YEAR

### ❖ God has gone ahead of you

No matter what you faced last year, walk into this new year knowing God is already in your tomorrow. Where you fear to step, His feet have already touched. Walk boldly.

### ❖ You are not starting from zero

You are starting from victory, grace, experience, wisdom, and divine positioning. Heaven has invested too much in you for you to fail this year.

## ❖ **Don't rush – move with God**

There will be noise and pressure around you. But the safest place is always one step behind God's leading. Let peace guide you into every decision.

## ❖ **Expect good things**

God does not give His children leftover blessings. Expect joy, open doors, good news, divine helpers, and surprise testimonies. Your expectation is your prophecy.

## ❖ **Guard your heart**

This year, protect your joy, your peace, your faith, your mind, and your circle. Not everyone deserves access to your spirit. Choose peace and guard it well.

## ❖ **Pray even when it is hard**

Some days you will feel weak, tired, or discouraged. Pray anyway. Whisper if you must, cry if you need, rest if necessary, but never disconnect from God.

## ❖ **Keep your eyes on Jesus**

You may not understand everything this year holds. But you know the One who holds it. Keep your focus steady, your hope alive, and your heart rooted in Christ. He will never fail you.
