

**NEW YEAR
PRAYERS
YOU CANNOT
AFFORD
TO MISS**

**A 31-DAY PROPHETIC AND
SPIRITUAL WARFARE
MANUAL FOR TAKING
DOMINION OF THE
NEW YEAR**

DEDICATION

This prayer manual is prayerfully dedicated to every child of God rising into a new year with faith, expectancy, and holy determination.

To you all who refuse to walk into the new year casually, but choose to command the gates of the year by prayer, fasting, and prophetic declarations.

May these 31 days awaken fire, restore dignity, break chains, open doors, and position you for divine elevation.

To the Glory of God the Father, Son, and Holy Spirit. Amen.

INTRODUCTION

January is the gate of the year, and whoever controls the gate controls the journey.

Many people walk into a new year with excitement but without spiritual alignment, leaving the enemy room to steal, divert, frustrate, or delay their blessings.

This manual is given to you as a weapon, a shield, and a prophetic compass—to position you under open heavens as you step into the new year.

These are not casual prayers.

These are not “nice” prayers.

These are warfare prayers, prophetic prayers, and foundation prayers that determine what the remaining 11 months will look like.

Every day carries:

- A scripture to anchor your spirit
- A powerful prayer to dismantle darkness and to command the season
- And a Fire Prayer to seal the day

By the end of the 31 days, you will have:

- ❖ Reclaimed your spiritual authority
- ❖ Closed every demonic door
- ❖ Opened the gates of favor, wisdom, and divine speed

- ❖ Broken cycles of delay, stagnation, and bad patterns
- ❖ Laid a strong spiritual foundation for the entire year

This is your new year transformation journey.

These are the new year prayers you can not afford to miss.

I recomend that you pray these prayers through the month of January, February and March to lay a good foundation for the year.

But these prayers are not limited, you can pray them at any time of the year.
