DEDICATION

To every woman, couple, or family believing God for the miracle of conception— this prayer booklet is for you.

To those who have faced delay, disappointment, ridicule, or loss— may this be your divine turning point.

To those who have heard doctors say, "It's impossible"— may the God of possibilities speak a new word into your life.

This is your season. Your womb shall testify.

INTRODUCTION

GOD STILL OPENS WOMBS

Infertility is not the end of your story. From Genesis to the Gospels, barren women have become joyful mothers not by chance, but by divine intervention.

“He makes the barren woman abide in the house as a joyful mother of children. Praise the LORD!”

Psalms 113:9 (NASB)

Sarah was 90. Elizabeth was old. Hannah was mocked. Yet none were forgotten. Each cried out to God, and heaven answered with a child of destiny.

This is not a booklet of theory – it is a tool of spiritual warfare, filled with bold, scripture–based prayers to break infertility and unlock divine conception.

You will not be childless. You will not be ashamed. You will carry and you will rejoice.

SCRIPTURE FOCUS

“There shall be no one miscarrying or barren in your land; I will fulfill the number of your days.”

Exodus 23:26

“Is anything too difficult for the LORD?” *Genesis 18:14*

**“Blessed is the fruit of your womb.”
*Luke 1:42***

These are not just verses— they are divine decrees. Hold on to them. Declare them aloud. Pray them until your womb sings with life.

SYMPTOMS OF A SPIRITUAL ATTACK ON THE WOMB

Not every delay is natural. Sometimes the womb is under spiritual siege. Recognize the signs:

Chronic Infertility Without Medical Cause

Despite years of trying and medical treatment, there is no known reason for barrenness.

Frequent Miscarriages

Pregnancy begins, but ends in unexplained loss— often at the same month or trimester.

✔ **Disturbing Dreams Involving:**

- Spiritual babies
- Sexual encounters
- Serpents or snakes
- Breastfeeding invisible children

Water, pits, or miscarrying in dreams

✔ **Family history of barrenness or
Delay in childbirth**

✔ **Unexplained fear or hatred
Toward children**

✔ **Medical reports with
Contradictory diagnoses**

✔ **Reproductive illnesses
Without cure; *endometriosis,
fibroids, or hormonal disorders*
*That doctors can't explain or heal.***

✔ **Evil spiritual covenants or
promises**

STEP ONE:

“If we confess our sins, He is faithful and just to forgive us.” *1 John 1:9*

Before asking for healing, we must cleanse the altar. Repentance invites God's mercy and shuts the door to demonic accusations.

PRAYER

“Father, I come before Your mercy seat. I confess every known and unknown sin in my life and bloodline. I ask for cleansing by the Blood of Jesus.

I renounce every covenant with darkness through words, dreams, rituals, or my ancestors.

I cut off all soul ties, spirit husbands,

witchcraft, and marine influences.
Lord Jesus, take Your place as the Lord
over my life and body. I declare that my
womb is free in Jesus' name.

Amen.”

STEP TWO:

Forgive, so that your Father in heaven may forgive you.” *Mark 11:25*

Unforgiveness poisons the soul and blocks healing. Healing begins by letting go.

PRAYER

Lord Jesus, I forgive those who have mocked me, hurt me, rejected me, or spoken evil over my life.

I forgive my husband, in – laws, family, and even myself.

I break the chain of bitterness.

Heal my heart, Lord. Wash my memories. Restore my peace.

I receive Your emotional and spiritual healing now. *Amen*

“Heavenly Father, I thank You for the gift of life You have planted in my womb.

I dedicate this child to You. Let Your hand of protection be upon me and my baby.

I come against miscarriage, complications, and premature labor.

I cover my body and my baby with the blood of Jesus.
